

Soille San Diego Hebrew Day School 2020/2021 Uniform Policy

Why Does Hebrew Day Require a Uniform?

We are proud of our new school wide uniform policy in part because it:

- Improves student behavior at school
- Instills a sense of unity, belonging, school spirit and pride
- Reduces peer pressure to out-dress one another
- Engenders a feeling of comfort and security, fostering greater empathy and kindness

Just as adults dress professionally for work, differentiating learning clothes from play clothes encourages students to focus and learn when at school.

All students in grades K-8 are required to adhere to the uniform policy. No colors or sweatshirts other than those included in the uniform policy are permitted to be worn inside the building. Students dressed in clothes not consistent with this policy will not be allowed to remain in class. Parents will be notified and asked to provide an appropriate uniform before their child rejoins their classmates.

WE STRONGLY URGE YOU TO LABEL ALL CLOTHING

Any uniform policy questions/concerns will be addressed by a member of the administration.
